

Formation days Braunschweig 2022

Date	06.05.-08.05.2022 Status: Confirmed
Location	EDVE, Braunschweig, Germany Elevation 297ft, RWY08/26, 2300x45m Standard circuit Approaches/Departures max 2000ft unless approved otherwise
Objective	Formation training for all levels of experience

RV-formation flying in Braunschweig. Our first event at this location. ATC promised to support us so this is a great opportunity to fly standard formation procedures in a controlled environment with a big runway that also enables two-, three- or even four-ship take-offs. It is not just about formation flying, but also about getting together with other RV-pilots and a great atmosphere. Several RV-pilots have their homebase in Braunschweig and will help us organising this event.

Specials All times in this document are local times.

Preferred arrival day for newcomers is Friday before 18:00 to have time for initial briefings or a possible demo-ride in a 3/4-ship formation.

A Whatsapp-group will be used for coordination before and during the event.

Program

Friday	12:00+	<ul style="list-style-type: none"> • Arrivals • possibly first training flights
	20:30	<ul style="list-style-type: none"> • Deadline for arrivals on Friday due to airport operating hours
